A BIG TIME FOR THE DRY FARMERS.

Eagle Pass Arranges Reception for the Texas Delegates.

Eagle Pass, Texas, Aug. 1.—The executive committee of the Eagle Pass Industrial league has made all the preliminary arrangements to entertain the visitors who will be in Eagle Pass during the meeting of the Texas Dry Farming Congress, August 15, 16 and 17.

Eagle Pass has got busy in regard to caring for and entertaining the visitors who will be here.

This matter is in good hands, as the following committees appointed by the executive committee will show:

Committee on general arrangements—E. H. Schmidt, J. D. Beck, T. R. McAlpin, C. F. Carson.

Committee on securing an exhibit of Maverick county products—W. E. Miller, T. C. Carrington, A. Lehmann, H. A. W. Frick, Geo. Herring, U. J. Backus and W. A. Bonnet.

Reception committee—Dr. A. H. Evans, Joe DeBona, R. C. DeBona, Dr. McFarland, S. P. Simpson, Geo. C. Hollis, J. R. Murray, C. F. Carson, T. G. George, George Hume, Dr. Easton, W. L. Lyman, F. V. Blesse, T. C. Carrington, Joe O. Bohnert, J. B. Sanford, W. A. Bonnet, W. C. Douglas.

The Civic Improvement league will help. The women are always ready and willing to help in affairs of this sort—in fact without them the success of the meeting would be doubtful.

The committee on arrangements held a meeting at secretary Carrington's office and outlined a program of entertainment that will keep the visitors busy every minute they are here and not engaged in the business of the convention. Sightseeing excursions to old Mexico, to the coal mines and irrigated farms of Eagle Pass will be made. There will be baseball games and a Texas roping contest.

The committee will take charge of the delegates and have them as their guests for these events. There will also be a "smoker," and the women will doubtless arrange a reception. One thing is certain, all who come to the meeting will have a fine time, and the meeting will be greatly benefited by the official program as well as the local program.

HAPPY RESULTS

Have Made Many El Paso Residents Enthusiastic.

No wonder scores of El Paso citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in El Paso by Doan's Kidney Pills.

Mrs. Blanche Cleaver, 1222 E. Overland street, El Paso, Texas, says: "For eight years I was subject to attacks of kidney trouble. If I took cold, it invariably settled in my kidneys and caused a dull ache in my back and right hip. There was also a soreness across my loins and I had chills. The kidney secretions were scanty and distressing in passage and caused me much annoyance. About a year ago my complaint became worse. Doan's Kidney Pills were finally recommended to me and procuring a box at Kelly & Polard's drug store, began their use. They strengthened my kidneys and proved of benefit in every way."
